From School Library Journal Grade 5-9 In this second installment in the series, Percy, Poseidon's 13-year-old demigod son, is desperate to rescue his friend Grover, captive of the bloodthirsty Cyclops Polyphemus, and to retrieve the healing Golden Fleece. The sheepskin is needed to restore the protection around Camp Half-Blood, the only safe haven for the children of gods and humans, heroes-in-training in our modern world. However, the camp has already been compromised and the quest for the Golden Fleece has been awarded to the bully Clarisse. Encouraged by Hermes, Percy sets off for the Bermuda Triangle anyway with his friend Annabeth and classmate Tyson, who turns out to be a half-brother and a Cyclops as well. Adventure follows chaotic adventure at a rapid pace, and readers with even a passing acquaintance with the Odyssey will enjoy this fresh use of familiar stories. Percy is an appealing kid, and the subject of a chilling prophecy may resonate with readers. Those who start the series with this title will be drawn in by the clever humor and have the opportunity to go back to The Lightning Thief (Hyperion, 2005) before the inevitable sequel appears. Read more From Booklist Gr. 6-9. In this second adventure in Percy Jackson and the Olympians series, Percy is anticipating the end of seventh grade and a summer at Camp Half-Blood with kids who are the offspring of Greek gods and mortals. He dreams that his pal Grover, a satyr, is in danger. After monsters attack in his school gym class, Percy and Tyson, a homeless kid, are picked up by Annabeth, a half-blood friend, and rushed to the camp, which is under attack. The tree that guards the camp is dying, and Chiron, the activity director, has been dismissed. Another dream reveals that Grover, whose peril is increasing, is on the same island as the legendary Golden Fleece, which may be the cure for the troubled camp. With the help of Hermes, Percy and his pals set off to the Sea of Monsters, where they encounter legendary dangers. Riordan's clever mix of classical mythology, contemporary teen characters, and an action-packed adventure will bring new readers to the series. Diana Herald Copyright American Library Association.
